

TO:

To Whom It May Concern,

I entered active duty in the United States Armed Forces on _____
and have remained in an active status to this date. Prior to this period of military
service, I leased from you the dwelling located at

_____, which residence has been occupied as a dwelling by
(me) (or my dependents). I now find it necessary to terminate this lease under the
pertinent provisions of the Soldiers' and Sailors' Civil Relief Act, 50 U.S.C. App.
Section 534. Under the terms of the Act, the lease will terminate on
_____.

Under the Act, I am required to pay rent only for the period up to the time of
termination. Therefore, if I have paid rent in advance, you are required to prorate
and refund the unearned portion, and you are further required to return my security
deposit.

I regret any inconvenience this termination may cause you.

Sincerely,
